When we partake of any or all combinations of these 3, we are actively partaking, in the devil's ministry of death and condemnation. We become agents for Satan instead of ambassadors for Yeshua. Roman 8:1, tells us that no one can condemn a child of Yah, but Satan keeps trying. Worst of all he uses us to do his bidding. Many of us need to do Teshuva (repent), in these particular areas of our lives. We need to start to believe the "gospel of grace" for each other.

Lev. 19:16 - A talebearer spills innocent blood. He is murdering people in the camp. Condemnation through gossip & slander & talebearing are acts of devilish witchcraft.

Proverbs 11:13 - A talebearer can't be trusted, by man or Yah. Unfaithful to both.

Proverbs 18:8 - His words are weapons for murder, & cause internal bleeding, which is only healed when it get out of hand. Proverbs 20:19 - Keep your distance from these individuals.

These purveyors of death & condemnation, smile to your face, but stab you behind your back. They flatter you & then stab you. Keep your distance. Proverbs 16:28

Satan specializes in separating "chief friends". He uses the same tactics against the leaders in the Yehidah. Chief friends are turned against each other. Spiritual break bonds. (1 Cor 1:10-13). Those who backbite and whisper in the Yehidah, are worthy of death. (1 Tim 1:29-32) (U.2) - they enjoy others who do the same.

2 Cor. 12:20 - U.2 Gossip is as fermentation to Yah. Both are equally vicious.

Proverbs 16:18 - Gossipers are called moron. Proverbs 6:19 - Yah hates the act of sowing discord, & being a false witness. Proverbs 26:20 - Yah removes gossipers, from the assembly so that strife can cease. "No wood, no fire."

Psalm 101:5 - Psalm 105:15 - Tearing down your leaders can be fatal to your Yehidah.
