

## **Be Righteous Or Filthy Still Says Enoch 12-16-23 Study Notes By Dr Sholiach-Apostle Moshe Yoseph Koniuchowsky**

Enoch is guardian of time and right living. He teaches us principles of time and there is no such thing as an Enoch calendar. He gives us principles to rightly divide time as does the Father and His set apart messengers.

He was a righteous prophet and was taken in Genesis 5 and rewarded with immediate and instant immortality, due to his faithful commitment to YHUUH and His Laws.

The Scroll Of Revelation given by an angel is clearly seen in Chapter 1 verses 1 and 2. The revelation went from the Father to The Son to an immortal angel, who used to walk the earth, as a prophet and brother in humanity, who then gave it to John on the Isle of Patmos. This transmission of the book remains an undeniable fact. Those who claim Enoch has no writings or Scriptures attributed to him are fully ignorant of this declaration right in the first few verses of the Book of Revelation. No other angel was a former mortal human prophet as seen In Revelation 22:9. He came to unseal what Yahusha had given him. Moreover the teachings of Enoch are prevalent throughout the Newer Testament as seen in such places as Jude , Matthew 24 and elsewhere. The apostles knew them and taught what Enoch did and said. Period! Revelation 22:

8 And I, Yochanan, saw these things and heard them. And when I had heard and seen them, I fell down to worship before **the feet of the malach** who showed me these things.

9 Then he said to me, See that you do it not: **for I am your fellow eved and of your brothers the neviim and from those who shomer the sayings of this scroll: worship Abba YHUUH.**

10 And he said to me, Seal not the sayings of the prophecy of this scroll: for the time is at hand.

**11 He that is unjust, let him be unjust still: and he which is filthy, let him be filthy still: and he that is a tzadik, let him be a tzadik still: and he that is kadosh, let him be kadosh still.**

Revelation 22:8-9 make it clear the angel who gave John the book from Adon Yahusha, was a former human being, a brother on earth from among the prophets now glorified. His message is to let the righteous not waver but finish their race. This again confirmed in Revelation 19:10! The second part is to tell the filthy to continue in their filth. It is the road they chose and it's too late to turn.

The reasons for this strange and seemingly harsh admonition are as follows:

- The message is time sensitive. The end is near and the choice you made is final. The 2 roads have no off ramp, once the very end of the age is announced by the same Enoch and the revelation has been delivered.

- Man has freedom of choice and thus no one to blame for his eternal unchangeable destiny. Enoch admonishes them that it was their free will, and they can thank or blame YHUUH all they want. The road is determined without an off ramp and when and where no further U turns are allowed.

- Deception-self-deception will not prevent the sealed eternal standing.

- There are no exceptions to the 2 roads. These roads are outlined in great detail in the Didache's 16 chapters.

- Based on Hebrews chapter 6 once a path is chosen, it is almost impossible to change course since the offender and filthy has disgraced and has dishonored the precious blood of the New Covenant.

- Second Corinthians 6:2 comes into play. Now is the time to make the right choice and stay on that road.

- Rev. 22 Verse 11 is key. Filthy or polluted is the road to flee before you are on it. The righteous road is the road to flee to and never depart.

- The time sensitive message is time sensitive. We do not know when this pronouncement will kick into effect. **But the way you're living today** is a pretty good indication of where you will end up. Ezekiel 3:27 and 2nd Corinthians 6:2 are confirming Scriptures.

- The road you are on will not change but the road will get longer.

-What Enoch outlines here is a spiritual law like sowing and reaping. Sin births and conceives more sin. Righteousness or right livings produces more righteous behaviors and right living. Error begets error. Truth begets truth. This is simply a spiritual law that Enoch the immortal angel outlines to us at the end of the age.

-Spiritual laws like the Scriptures themselves cannot be broken.

Is it not the declaration of the ever-terrible truth, that men are building up their destiny by the actions and habits of their lives? "Sow an act—reap a habit: sow a habit—reap a character: sow a character—reap a destiny." The righteous become righteous: the godly become godly. The filthy and immoral become moreso.
