

## Teaching on Freedom From The Bondage of Our Previous Master By Elwiyah

### THANKSGIVING & PRAISE:

Many of you are asking yourselves: “Why am I here?”

Explain why YOU'RE here.

### PRAYER OF GUIDANCE BY RHK:

### HEARING ELDER DANIEL'S TEACHING:

Why r there still problems among us: diseases, sickness, debt & financial issues, depression, aches, pains, unbalance in our body, relationship issues that render us guilty? Why if WE HAVE THE TORAH, IF WE HAVE THE NAMES TO CALL ON WITH POWER AND AUTHORITY, IF WE HAVE THE JEWISH MESSIAH ON OUR SIDE???

### Whose fault is it?

The truth is that He is with us, but are we fully there with Him??? Are we 100% LOYAL to Him, OBEDIENT to Him, SURRENDERED to Him, BELIEVING ON HIM LIKE INNOCENT CHILDREN???

We have to ask ourselves and answer SINCERELY. How CLOSE AM I REALLY TO HIM? Or am I just testing the waters?? I was at several pools lately—3 in fact, and I learned something about those experiences. I hadn't been in a pool and having FUN in YEARS!!!!!! Since I was a pre-teen when I last recall REALLY enjoying myself in a pool.

On my return to pool-side recreation, I was really timid. Not comfortable in my own skin, literally, much less the bathing suit I had on, and it didn't help that the water was so cold. I REFUSE TO IMMERSE MY HEAD IN THE WATER, so the whole time I was in there, I simple did little water excercises. I got a nice workout, but I didn't THOROUGHLY enjoy my time in the water!!!

Then 2<sup>nd</sup> time I went into a pool was a place that was an OASIS of PARADISE. There were children there and I was debating whether or not to be trepidatious/careful of not getting my head;/hair wet. But when I say how much FUN those little children were having, I didn't care that I was a gazillion years older than they were, nor the discomfort of my skin or the bathing suit. I then and there resolved to HAVE FUN AND IMMERSE MYSELF IN THE EXEPERIENCE!!! I took off my glasses, ignored the frigidness of the waters, and sunk my head in. The water wasn't harsh, but it wasn't so clear either, and a miracle occurred: One of the little children ALLOWED me to use her goggles to swim. Can you believe that???? Usually KIDS hog their toys/equipment. This little girl SHARED hers. And it was such a braka/blessing cause once I put on her goggles and saw the way SHE SAW UNDERWATER, I became a FISH. I didn't know that I could swim SO WELL!!! I was going so fast from one side to the opposite and beating other more experienced and skillful swimmers on their workout laps. I discovered I had talents that I didn't think I had. And I had so much fun, but SO MUCH FUN.

Because of our UNBELIEF:

### CONSOLATION OF MARK 16—WE HAVE A PROMISE FROM YAHSHUA BEN YHWH:

15 And He said to them, *Go into all the olam hazeh, and proclaim the Besorah to every creature.*

16 *He that believes and is immersed shall be saved; but he that believes not shall be condemned.*

17 *And these signs shall follow them that believe; In My Name shall they cast out shedim; they shall speak with new tongues;*

18 *They shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the sick, and they shall recover.*

We don't work alone:

20 And they went out, and proclaimed everywhere, יהוה working with them, and confirming the word with signs following.
