

Islam & The Chanukah Factor

"The No Spin Zone Begins Now"

12-16-06

Apostle Moshe Y. Koniuchowsky

The Events of Chanukah will play out again in the last days EXACTLY as they did before. Understanding Chanukah will help you greatly to understand the end time beast, its leader, and its physical and spiritual base. Simon will go into far far greater detail, but let's just look at a few things, as I don't want to take his time.

Then: Antiochus came from the part of Greece the quadrant that later became the Seleucid Empire. His crime before YHWH? **The committing and establishing of the historical Abomination of Desolation** setting up an altar to Zeus.

Then: 70 CE The Roman legions under Titus came to set up pagan control of the Temple Mount by destroying it and the Temple and setting up an altar to Mercury/Zeus. From where did Titus and his legions come from? You got it! **The former Seleucid Empire today modern Turkey.** The armies that helped to destroy Jerusalem were Legion X Fretensis composed of the following units.

- Thracum Syriaca E.
- IV Cohort Thracia
- Syria Ulpia Petraeorum
- IV Cohort Arabia

All Syrian/Greco units bases in Asia Minor.

Last Days-Anti Messiah will come from Turkey where the Selucids Empire was located; modern Turkey, as seen clearly in Daniel below.

Daniel 7:6 "After this I looked, and there was another, **like a leopard...with 4 different heads.**

Daniel 7-Empires 1 and 2 are Babylon and Medo Persia, 3rd is Greece, from where comes 4 heads, or the 4 generals of Alexander after his death; **the 4th is the Eastern Roman/Islam, coming from the area governed by one of these 4 heads/generals.**

All 4 Daniel 7 empires emanate from Babylon! Then all emanate from one another! Babylon is modern day Iraq, Iran Saudi Arabia and Turkey among other Muslim lands.

Lets focus in on the 3rd or the Grecian Empire, from where the leader of **the 4th beast would come from; one of the 4 areas of Alexander's generals. The Greek Empire was from Turkey all the way eastward to Pakistan today. Not western Europe. Look it up.**

Daniel 7:7 "After this I saw in the night visions, and behold, a **fourth beast, dreadful and terrible, exceedingly strong.**

The fourth beast is Islam that shares the region of the Eastern Roman leg not the European Roman leg. **Identification of the "Little Horn" HORN/CRESCENT IS THE LITERAL, NOT METAPHORIC, SYMBOL OF ISLAM AROUND THE GLOBE.**

In fact we are clearly told by **Daniel 8:9** pinpointing the "little horn" (Anti-Messiah) that arises from the Grecian division of the four regions **from the Seleucid portion to the Middle East. Again Alexander's Empire was all the way Eastward to Pakistan and no portion of Western Europe**

was ever part of the Grecian Empire. Many prophecy teachers have wrongly concluded that the "little horn" of Daniel 8:9 was only Antiochus Epiphanies. However he can only be a type, but not the actual fulfillment of that passage because the Bible itself tells us in Daniel 8:17 the following;

Daniel 8:17 So he came near where I stood: and when he came, I was afraid, and fell upon my face: but he said unto me, **Understand, O son of man:** for at the **time of the end shall be the vision.** This prophecy as indicated by the angel to Daniel is for the **time of the end, not as believed by many only for Antiochus in the past.**

So, the confirmations of Yahushua's words are found in Daniel. Here we MUST follow Yahushua's instructions carefully. The abomination of desolation is the one described by Daniel (**Matthew 24:15**). This end time abomination is given in an eschatological context meaning in connection to end time, or second coming events! The precise expression "abomination of desolation" occurs in **Daniel 11:31** with a further reference to its appearance in the holy place in **Daniel 12:11**. **Daniel 9:27** contains a third reference and also **Daniel 8:13**.

To summarize, Daniel also describes a final evil ruler, as the **King of the North (Daniel 11:15)**, who sets "the abomination of desolation" and puts an end to Temple sacrifices (**Daniel 11:31**). **Remember Alexander's empire gave way to 4 empires or kingdoms! From the king of the NORTH not the west! comes anti messiah.**

Current Events of last few weeks-The Abomination of Desolation and their spokespersons, **currently sitting on the wing of abominations** (SW corner/wing of the Temple Mount) refuse any attempt to establish a Jewish presence on mount. The stage now fully is set for the end time Islamic anti-messiah from Turkey to enter the Muslim complex of shrines and declare the coming of the final Islamic Mahdi. The rebirth of the Ottoman caliphate. With the Iraq war bogged down, USA Vice President Cheney has headed/rushed to consult with the HEAD of the beast empire, to ask the Saudis for a solution to the US quagmire in Iraq. After all when one wants action, one always approaches the head, the land of Riyadh/Mecca. Simon will discuss that later.

All the while at the same time, Pope Benedict is running to TURKEY!!!.....to seek **forgiveness/pardon** from Islam and to personally beg Islam face to face for a pardon for his TRUE comments on Islam. **Why doesn't he run to Jordan or the west Bank to seek this forgiveness? Because the beast has swallowed up Christianity in Turkey, and because the dragon behind the beast is situated in Turkey, according to Yahshua Himself.**

s.a.tan may roam the earth, but after roaming, he always returns to settle/rest in Pergamum/modern Turkey! Thus the Pope himself has taken the mark of the beast by seeking its approval, or allegiance, confirming what we all know; that Islam not the Vatican calls the shots in these last days, **though the final world empire is a mixture of Edom/clay/Islam and iron legs/Rome.** Its all being played out now! Daniel 2:41-43

All this is exactly as the Bible spoke it. Mecca/Riyadh and **Mecca/Saudi Arabia is the head, Turkey the reborn CONSTANTINOPLE, FORMERLY Rome's eastern capital and now it is Istanbul, the capital of the Ottoman Empire, the last empire to control Jerusalem is its heart/seat. The head and heart of the beast empire. The body if Islam vs. the body of Yahshua consisting of both houses of Israel!** It is that empire, Islam combined with Roman elements and collaborators, that will revive (the beast's deadly yet healed wound) again to subdue all nations by financial pressure and blackmail and/or the weapon of TERROR. Mankind will by and large be TERRORIZED with HAMAS/Hebrew word for violence, to accept Ha Allah/the unique Hebrew word for THE CURSE, resulting from complete Torahlessness, or the mark of the beast. Everyone succumbing to that

pressure will be scarred and marked for perdition! That's is why Simon's message, his end time warning to us all today is so vital and crucial. Not only do we need to "know," we also "need to "prepare," all the while, we also need to by any means and all means "avoid" partaking of the curse, ha Allah the cursed yet growing thing/deity.

Yahushua the Messiah said the following to us in the Bible; **Revelation 2-13 A-RSTNE " I know your mitzvoth, and where you dwell, even where s.a.tan's seat is: and you hold fast to My Name, and have not denied the emunah in Me, even in those days when Antipas was My faithful martyr, who was slain among you, where s.a.tan dwells.** Note that it remains there. Pergamum/Pergamos was and is in Turkey until Yahshua returns to end that kingdom.

All 7 congregations mentioned in Revelation in an end time context are in Asia Minor, so that this gives us another picture that in the end-times the believers specifically in the Middle East will come under persecution. This points to the Islamic Empire that will carry out the worst persecution, which is already happening today.

We are wise we look to the Middle East and Turkey for history to sadly repeat itself. Moreover the great deception over the eyes of believers is appalling. They are being taught to look for an abomination of desolation to come soon, **when it already exists right under our nose since 600 CD to be made worse in our days.** It merely awaits the final piece for the abomination to be complete, when the Islamic anti Messiah/Mahdi, accepted as a peacemaker by Jewish Israel, just as Turkey today is seen as a peaceful moderate and pro Israeli Islamic country by most (part of this great deception), will walk into the Al Aqsa and Dome of the Rock complex of mosques. **The bible calls anti Messiah the end time Assyrian (NORTHERN KING), not the European, who enters Israel/our land.** We know Turkey was a main part of the former northern Assyrian Empire. Simon will go into far more detail. Be blessed, for you are most privileged to be here this weekend!

When we light the candles tonight, think about the future light in all of us that will be needed, not just the light of our victorious past!
