

Text: John 6:30

Manna

①

"In the Wilderness of Sin" Ex 16:1. God's sense of humor.
Exodus 30-36. Forty years wandering in circles, in the wilderness.

Exodus 16:2-6. The manna was temporary provision to give sustenance. It was never given to give life. The Israelites ate manna and stayed dead. Yeshua was the true manna because who eats his flesh the true manna would live forever. 
Wilderness manna never stopped death.

v3- the children asked for physical life. Not eternal dwellings. Wanted fleshpots.

v4- The Lord rained down bread. The Lord rained down His Son.

God was not only interested in feeding people. He was sharing the gospel with them.

v4- Daily manna to survive. We must feed on Yeshua daily. It is God's way of having us keep close to Him. God made it daily to test their desire for continued obedience.

The living Manna requires daily searching.

v8- God gave Manna in the morning and meat in the evening. Why? We are to seek him daily but our day gets so cluttered and busy. Only the bread filled. Not the evening meat. Only Yeshua's eternal self can fill you with abundance. All things will pale in comparison.

v.13- Dew covered the manna. (Around the manna). Why? The morning dew was a type of the living water of Yeshua. The water & bread of life went together. One & the same.

v.14- Small round thing. Our Lord was humble. A true servant. (Matt 20:28).

Isaiah 53:2B. Small in His Own Eyes. It was round. A circle was a sign of eternal commitment to provide sustain us through eternity. (Like a marriage ring).

v15- What is it? (Manna). They did not recognize it. This was prophetic because the living bread (Yeshua) was not recognized either. He was unrecognizable to our people. Moses witnessed about the manna. John the Baptist witnessed about Yeshua.

v.16- Omer = 6pts of bread. All people had equal access and equal, tiny and equal amounts. Rom. 2:1, Rom. 10:13. v.28 Even Moses was not above the instructions.

v.31- Manna was white. Because Yeshua was white & holy. Holy because of Yeshua's good deeds. ^{from} Coniander seed. -Hard to have seed. Because Yeshua was the

Seed of the woman. (Gen 3:15).

v.33 - Throughout your generations. Man would last. God's Son is everlasting.

Psalm 78:24 - "Corn of heaven. Man's eaten by angels in heaven. Angels eat the sustenance of God's Son. They feed off the living God. The angels and us both eat them.

Class 35 - We as NT believers will eat. (John's flesh) until we get to heaven, the promised land. We're still in and surrounded by the wilderness of sin.
