The Python Plot by Sholiach Moshe Yoseph Koniuchowsky 1-24-20

The Pyhton Plot-Attack,[An unclean ruach sent to hound, mock, secretly loath & stir up the people against the leaders. To divide the people from their servant leaders.]

Acts Ch. 16

16 And it came to pass, as we went to Shabbat tefillot, a certain young girl possessed with an unclean ruach of Python met us, who brought her masters much profit by fortune telling:
17 The same followed Shaul and us and cried, saying, These men are the avadim of El-Elyon, who show to us the derech of salvation.
18 And this she did many days. But Shaul, being disturbed, turned and said to the unclean ruach, I command you in the Name of YAH-USHA Ha Moshiach to come out of her. And it came out the same hour.
19 And when her masters saw that the ongoing possibility of further gain was gone, they caught Shaul and Sila and dragged them into the marketplace to the rulers,
20 And brought them to the authorities, saying, These men, being Yahudim, do exceedingly trouble our city,
21 And teach customs, which are not lawful for us to receive, neither to observe, being Romayim.
22 And the multitude rose up together against them: and the authorities tore off their clothes and commanded to beat them.
23 And when they had laid many stripes upon them, they cast them into prison, commanding that the prison guard keep them safely:
24 Who, having received such a charge, threw them into the inner prison and made their feet secure in the stocks.
25 And at midnight Shaul and Sila made tefillah and sang tehillim to YHUH: and the prisoners heard them.
26 And suddenly there was a great earthquake, so that the foundations of the prison were shaken: and immediately all the doors were opened and everyone's chains were loosed.
