

**Weekly Torah Portions-Readings From  
Aviv One - New Year's Day**

***The Calendar Of Scripture Always Starts in The Month of the Exodus From Mitzrayim-Egypt***

***The Scriptural year starts with the day after equinox according to Enoch. Over Jerusalem and across the globe that will almost always be on Roman March 21<sup>st</sup> after The Aviv OT or the Equinox-Tekufah Sign of the Aviv, the New Biblical Year!***

***-All weekly Torah readings-parshas commence from the month of Aviv as per Exodus chapter 12:1 and not the rabbinical year which starts in biblical month 7, at what they erroneously call Rosh Hashanna or New Year.***

***Complied by Sholiach Moshe Yoseph Koniuchowsky as a gift to remnant Yisrael***
